

10-YEAR RESIDENTIAL WARRANTY

Comprehensive Coverage for Your Home

EUROSTONE QUARTZ

Premium Surfaces

Warranty Coverage

- EuroStone warrants quartz surfaces against manufacturing defects for 10 years from date of purchase
- Coverage includes material defects, discoloration, and structural integrity issues
- Warranty applies to original purchaser and is non-transferable
- Product must be installed according to EuroStone installation guidelines

What is Covered

- Manufacturing defects in material or workmanship
- Structural cracks or fissures not caused by impact
- Discoloration or fading under normal use
- Delamination of surface layers

What is Not Covered

- Damage from improper installation or fabrication
- Chips, scratches, or impact damage

- Damage from excessive heat or thermal shock
- Improper care or use of harsh chemicals
- Normal wear and tear from daily use
- Edge chipping or damage during installation

Claim Process

- Contact authorized dealer or EuroStone directly
- Provide proof of purchase and photos of issue
- Allow inspection by authorized representative
- Replacement material will be provided for valid claims
- Labor costs for replacement not included
